INDUSTRY EXCELLENCE

WOMAN IN FORESTRY CERTIFICATE

INDIVIDUAL

This award recognises an individual woman, who demonstrates excellence across a range of skills beyond best practise guidelines and essentially "over and above" in any area of the timber industry – logistics, harvesting, processing, safety, distribution, silviculture etc.

To be eligible for this award the individual must:

- Demonstrate a high quality of work output
- Demonstrate productivity in their work output
- Show evidence of on-going training
- Comply with environmental and health & safety practises
- Be recognised by their peers and employers
- Show good character being positive, honest and reliable

CONTRACTOR OF THE YEAR TROPHY

COVERS ALL SUPPLY CHAINS INCLUDING LOGGING, ROADING, SILVICULTURE AND DISTRIBUTION

This award recognises the entire team or company which provides outstanding service to the forestry industry.

To be eligible for this award the team/company must:

- Deliver with conviction in areas of production, health & safety, and human resource management
- Deliver their service with a quality output
- Demonstrate strong leadership skills
- Be endorsed by forest owner or manager

OUTSTANDING H&S MANAGEMENT AWARD TROPHY

This award recognises performance of an individual or company that demonstrates above and beyond the general compliance of health and safety policies and regulations within the forestry industry.

To be eligible for this award the individual/company must:

- Meet the baseline Health & Safety standards as per the Approved Code of Practice for Health & Safety in forest operations and Competenz Best Practise Guidelines
- Have possibly managed a specific event with outstanding merit
- Have possibly demonstrated a new or innovative health & safety product which will be of advantage to industry

OUTSTANDING REGIONAL SERVICE PERFORMANCE AWARD TROPHY

This award recognises a business or individual who provides goods or professional services to the forest industry and who is not directly involved in the production or distribution parts of the forestry industry.

It would include those that assist industry ie: consultants, finance, maintenance engineering/mechanical, goods provisions, training, insurance or medical.

The credibility would be built around a service provider being able to demonstrate:

- They provided exemplary service
- They were responsive to the customer's needs
- Their staff showed high skill levels because of the training received
- The company implemented customer focused systems to ensure the customer got what was required

OUTSTANDING ENVIRONMENTAL MANAGEMENT AWARD TROPHY

This award recognises performance of an individual or company that demonstrates above and beyond the general compliance of environmental management rules and regulations within the forestry industry.

To be eligible for this award the individual/company must:

- Meet the baseline environmental standards as per the RMA and NZ Environmental Code of Practice
- As well as NZ Forest Owners Policies and other standards like FSC (Forest Stewardship Council)
- Have possibly managed a specific event with outstanding merit
- Have possibly demonstrated a new or innovative product which will benefit the industry environment

SKILLED PROFESSIONAL OF THE YEAR TROPHY

This award recognises an individual for leading in their field of expertise, demonstrating excellence in professional skills, attitude & attributes recognised by their peers and employers and of genuine good character.

To be eligible for this award the individual must have been awarded one of the following certificates from this year's EWC Forestry Awards:

- Forestry Excellence Award
- Roding Excellence Award
- Harvesting Excellence Award
- Distribution Excellence Award
- Wood Processing Excellence Award
- Construction Excellence Award
- Faller Excellence Award
- Pavement Excellence Award
